 - Communication for weather cancellations will be shared as soon as a decision is made on our Facebook page and our website, as well as an email to players' registered email addresses
 - *Please do not message our Facebook page when there is inclement weather. This bogs down our communications and you will be directed to our Facebook page and website.*
- ❖ MEET THE COACHES: All players are required to meet with their coaches at Meet the Coaches to receive their practice and game schedules, and confirm contact information
- ❖ SPORTS PLUS APP: We utilize the software SportsPlus App for our league schedules, tournaments, and communications
 - The email(s) provided during registration will be used and you may receive a welcome email once your registration(s) have been entered into our program
 - There is a downloadable app that will allow you to communicate with your coaches, league staff, view games schedules, and see updated scores
 - This information is also available on our website
- ❖ CONCESSIONS: As a volunteer-based organization, we rely on parents and upper league athletes to help out in certain areas for a successful season. One area where volunteers are very much needed is the concession stand. For a successful night, we need 6 volunteers at all times, two on the window and 4 runners to hand out and prepare food (wrapping hot dogs, making nachos, popping popcorn, etc.) You can sign up for time slots at sportsplus.app/public/5325/schedule or by going to Schedules in your player profile, and filtering to "Event"
- ❖ MIXED LEAGUE begins league play Monday, May 13th
- ❖ PRE-SEASON TOURNAMENTS is a great way to kick off the season and allows teams to focus on playing together as a team before league play begins. Please communicate with your coaches if you will be unavailable
